Student Health Insurance

All students taking ten (10) credit hours or more in the Fall or Spring semester or eight (8) credit hours or more in the Summer semester are required to participate in the College-sponsored Student Health Insurance Program, unless proof of outside health insurance is provided by the waiver deadline that meets the standards set by the College. Please note that the Colorado Indigent Care Program (CICP) will NOT be accepted as proof of insurance since this program is not considered insurance by the State Legislature.

Students are automatically billed for Student Health Insurance on their tuition bill. Students are informed of the College's health insurance requirement when they attempt to register for classes. Registration screens cannot be accessed until a student reads the details associated with this requirement.

Beginning with Summer and Fall 2008 registration, all students will be sent an automatic e-mail message after they acknowledge that they have read the insurance information provided during registration. Students who have outside health insurance coverage are then responsible for following the waiver instructions contained in the e-mail message and for submitting an electronic waiver form by the deadline listed. A waiver form is attached to each e-mail message and the College minimum waiver standards are outlined. Please note that waiver forms will not be accepted after the published waiver deadline.

Health insurance waivers are valid for one (1) academic year (an academic year includes Fall, Spring and Summer semesters annually.) Continuing students must complete a waiver form ANNUALLY prior to each Fall semester. Students with a break in academic enrollment and those who begin classes in the Spring or Summer must complete a waiver form by the appropriate deadline for the semester in which they enroll and every Fall semester thereafter.

Students who participate in the student health insurance program during the Spring semester of any academic year are eligible to purchase Summer semester coverage without taking classes during the Summer semester. However, in order to obtain the same low rate offered during the Fall and Spring semesters, Summer semester coverage must be purchased in advance by January 31st. Please contact the Student Health Insurance Office at 303-556-3873 for further details.

Student Dental Insurance

Voluntary Program for all Students

Voluntary Dental Insurance is available to students taking one credit hour or more. Information and application forms can be obtained at the Student Insurance Office in the Health Center at Auraria (PL 150).

FINANCIAL AID

The Metropolitan State College of Denver financial aid program provides assistance and advice to students who would be unable to pursue their education at the College without such help. Scholarships, grants, loans and part-time employment are available singly or in various combinations to meet the
