

Metropolitan State College of Denver

Western Undergraduate Exchange (WUE)

2009-2010

Metropolitan State College of Denver is the third largest college in Colorado, enrolling more than 21,000 students. We are located on 127 park-like acres in the heart of downtown Denver, creating a safe and exhilarating campus experience. Our average class size is 22 and our faculty are passionate about teaching. Metro State works hard to keep tuition affordable and provide access to substantial financial aid. We are a commuter campus and do not offer residence halls.

What is WUE?

WUE is the Western Undergraduate Exchange, a program of the Western Interstate Commission for Higher Education (WICHE). Through WUE, students in western states (AK, AZ, CA, CO, HI, ID, MT, NV, NM, ND, OR, SD, UT, WA, WY) may enroll in many two-year and four-year college programs at a reduced tuition level: 150 percent of the institution's regular resident tuition. WUE tuition is considerably less than non-resident tuition.
