

**TRANSFER GUIDE**  
**B.A. in Human Performance and Sport**  
**Metropolitan State College of Denver**

**Section I: Degree/Program Requirements**

A. Institutional graduation requirements for this degree program.

The graduation requirements for a transfer student pursuing this major will be no different than the graduation requirements for a native student, including the minimum number of semester hours required for graduation. Specifically, the student must meet the following requirements:

- Successfully complete at least 120 credit hours;
- Successfully complete the required 44 credit hours in the major;
- Successfully complete the required 14 upper-division credits in the major;
- Successfully complete a minor of at least 18 credit hours (some courses in the minor may be taken at the community college); and
- Successfully complete at least 40 upper-division credit hours.

B. Required courses in Major, including pre-requisites and required Support courses in the chart below:

**COMMUNITY COLLEGE REQUIRED COURSES:** Required courses to be taken as part of AA/AS degree to guarantee the completion a baccalaureate degree in 60 additional credits after transfer. List required courses here.  
*BIO 111-5 General College Biology I*  
*BIO 201-4 Human Anatomy and Physiology I*  
*BIO 202-4 Human Anatomy and Physiology II*

*Students must have an appropriate American Red Cross Card as an Emergency Rescue/First Responder & CPR.*

<b>Degree Program Requirements</b>				<b><i>Sport and Allied Fields Concentration</i></b>		
	<b>Course Number</b>	<b>Course Name</b>	<b>Credit Hours</b>	<b>CC Course Number</b>	<b>CC Course Name</b> <small>(recommend these courses be taken while at CC)</small>	<b>CC Credit Hours</b>
<b>Required Major Courses (list)</b>						
	HPS 1600	Introduction to Human Performance & Sport	2			
	HPS 3300	Anatomical Kinesiology	3			
	HPS 3320	Biomechanics	3			
	HPS 3340	Physiology of Exercise	3			
	HPS 3620	Trends & Issues in Human Performance & Sport	2			

	Six Skills & Methods Courses (lower-division)		12			
	LES 4730	Sociology of Athletics in American Society	3			
<b>Elective Major Courses (credit hours)</b>						
		Human performance and sport electives – most must be upper division	13			
<b>Required support courses (if applicable)</b>						
	BIO 1080	General Introduction to Biology		BIO 111	General College Biology I	5
	BIO 1090	General Introduction to Biology Lab				
	BIO 2310	Human Anatomy & Physiology I		BIO 201	Human Anatomy & Physiology I	4
	BIO 2320	Human Anatomy & Physiology II		BIO 202	Human Anatomy & Physiology II	4
<b>Other graduation requirements</b>						
<b>Required Minor Courses and Electives</b>						
	Minor and electives	Approximately 13 of these credits must be upper-division.	16	Will be used to fulfill the minimum 18-hour minor requirement. Consult with advisor before enrolling in these courses because some courses taken at the CC may be used for the minor.		
Multicultural Requirement (A multicultural course may be taken in the major.)			3			
<b>Graduation Requirements beyond AA/AS degree</b>			60			
<b>Associate of Arts/Science Degree</b>			60			
<b>TOTAL GRADUATION REQUIREMENTS</b>			120			

## Section II: Transfer Of Credit

- A. Grade Eligibility.  
Only academic courses with a letter grade of "C-" or better are transferable. The four-year institution will accept and count toward meeting graduation requirements all state guaranteed general education courses that have a grade of C- or better provided the general education distribution is followed.
- B. This institution accepts scores of 4 (in some cases 3) and above on advanced placement tests and scores of 4 and above earned on international baccalaureate tests. Students should check the AP/IB tables in the MSCD *Catalog* for information on the credit that will be awarded.
- C. The four-year college or university will accept all approved credits earned within ten years of transfer. Courses earned more than ten years earlier may be evaluated on an individual basis.
