Section II: Transfer Of Credit

- A. Grade Eligibility.
Only academic courses with a letter grade of "C-" or better are transferable. The four-year institution will accept and count toward meeting graduation requirements all state guaranteed general education courses that have a grade of C- or better provided the general education distribution is followed.
- B. This institution accepts scores of 4 (in some cases 3) and above on advanced placement tests and scores of 4 and above earned on international baccalaureate tests. Students should check the AP/IB tables in the MSCD *Catalog* for information on the credit that will be awarded.
- C. The four-year college or university will accept all approved credits earned within ten years of transfer. Courses earned more than ten years earlier may be evaluated on an individual basis.
- D. The institution may apply a state guaranteed general education course toward the major or other graduation requirements if that facilitates the student's graduation more effectively.
