- B. This institution accepts scores of 4 (in some cases 3) and above on advanced placement tests and scores of 4 and above earned on international baccalaureate tests. Students should check the AP/IB tables in the MSCD *Catalog* for information on the credit that will be awarded.
- C. The four-year college or university will accept all approved credits earned within ten years of transfer. Courses earned more than ten years earlier may be evaluated on an individual basis.
- D. The institution may apply a state guaranteed general education course toward the major or other graduation requirements if that facilitates the student's graduation more effectively.
